

EXAMS - what do i do before & after my exam

1. each student needs to have filled out their exam registration form and all fees paid before the exam day for both their exam prep classes and their exam fees.
2. each student take a number with 2 pins and pin it on the centre front of your bodysuit - look at the exam student list on the wall
3. change and stretch in the smaller studio and read through the syllabus on the wall
4. check your grooming :)
5. be fully ready to 5 minutes ahead of your exam time
6. when you are finished your exam, return your number to the registration table
7. your notes will be emailed to you and your certificates will be printed, then given to your teacher to get to you at next class 😊
